

Avviciniamoci al presepe...

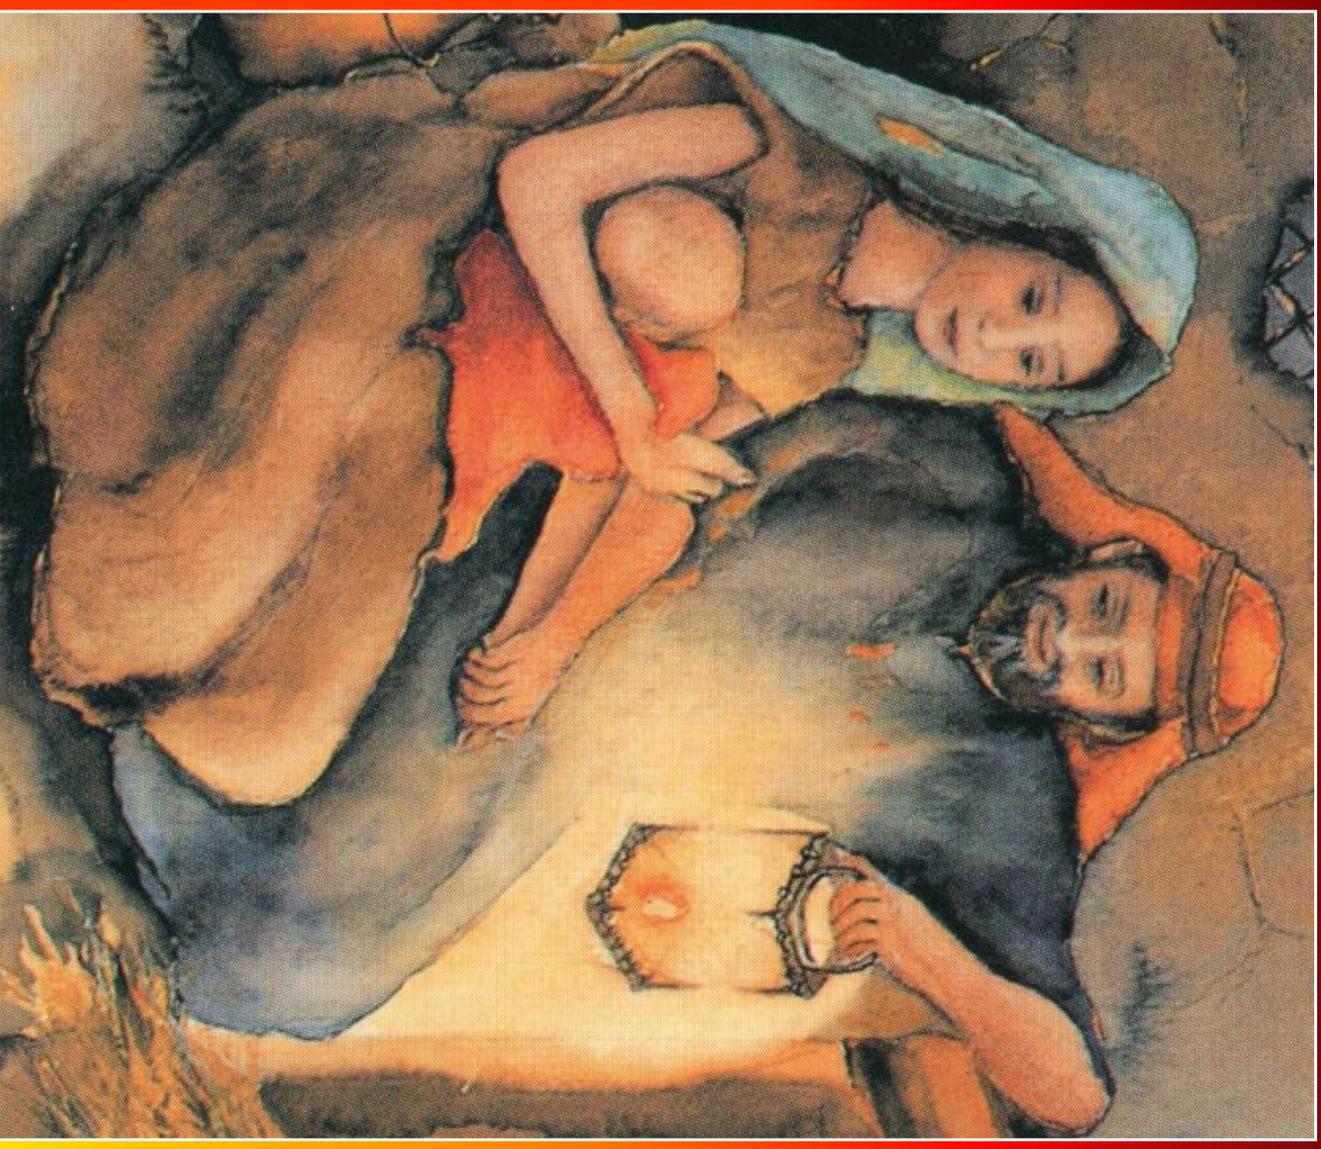

...entriamo nella scena come se fossimo presenti

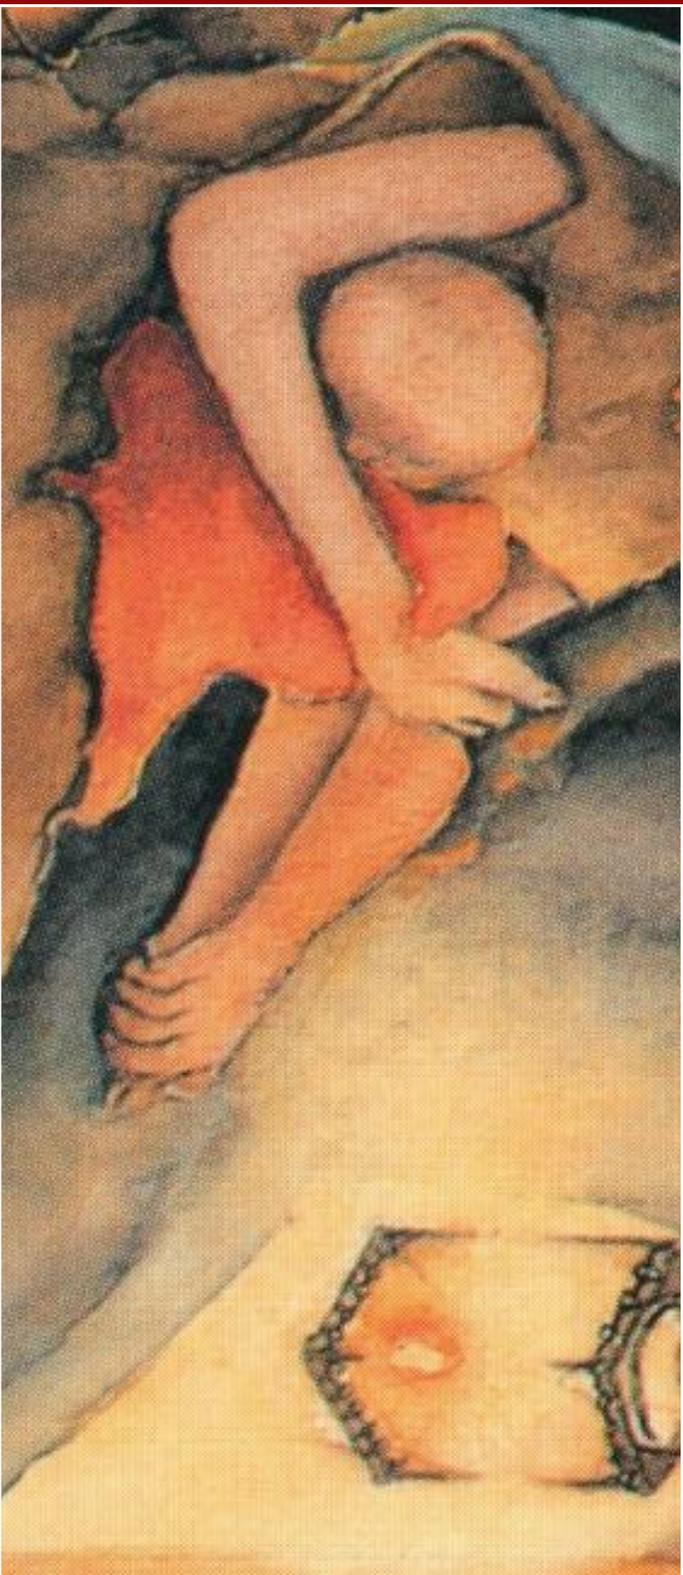

...anche noi come i pastori troviamo
Maria , Giuseppe e il bambino ...

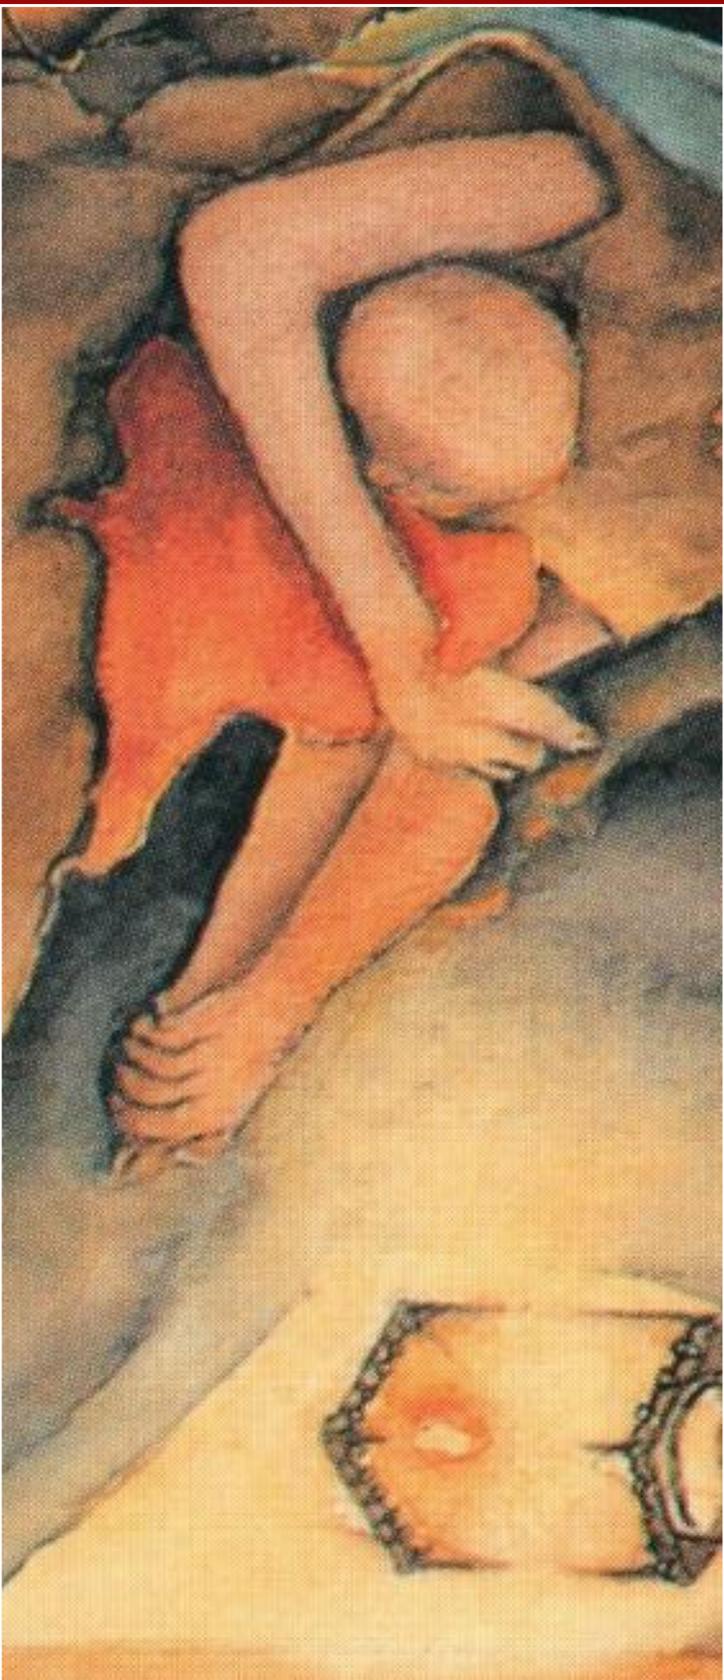

...un uomo,
una donna,
Il loro bambino

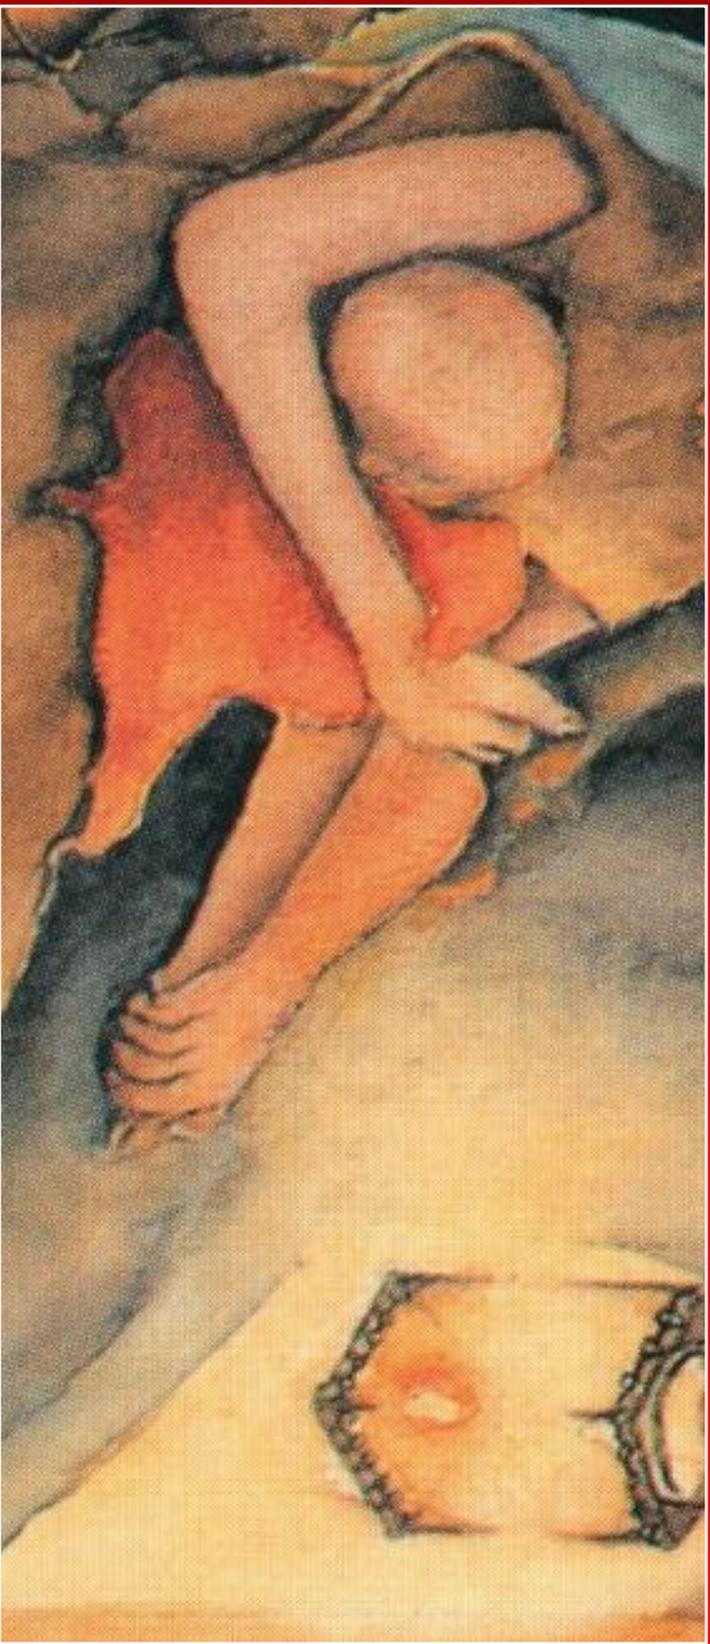

avvolti da una grande luce

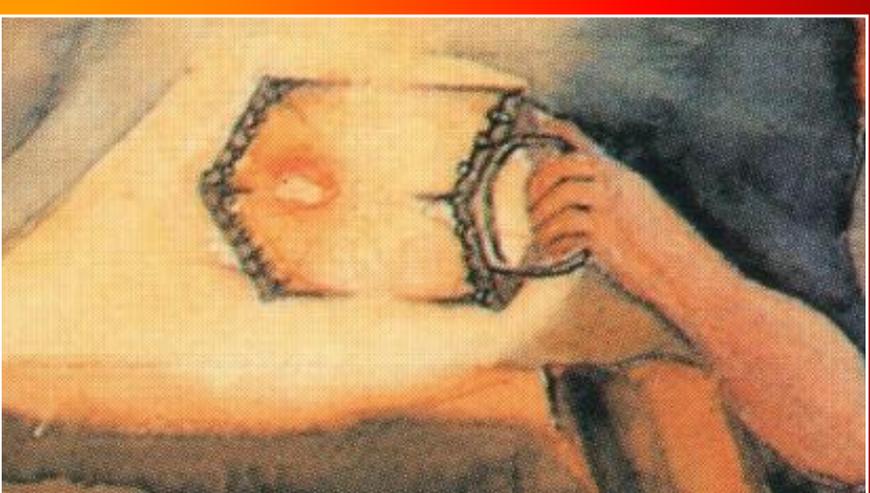

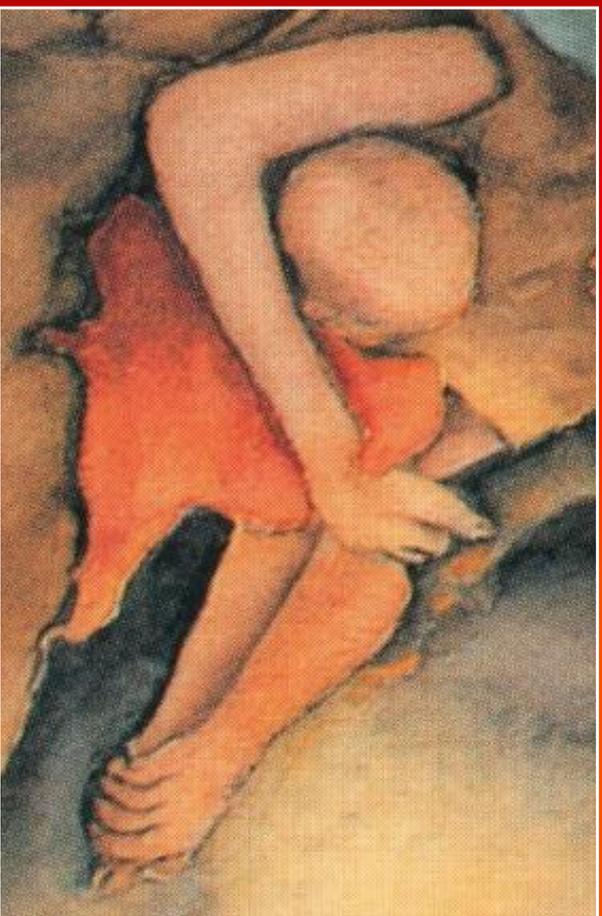

...la luce del calore di un rapporto

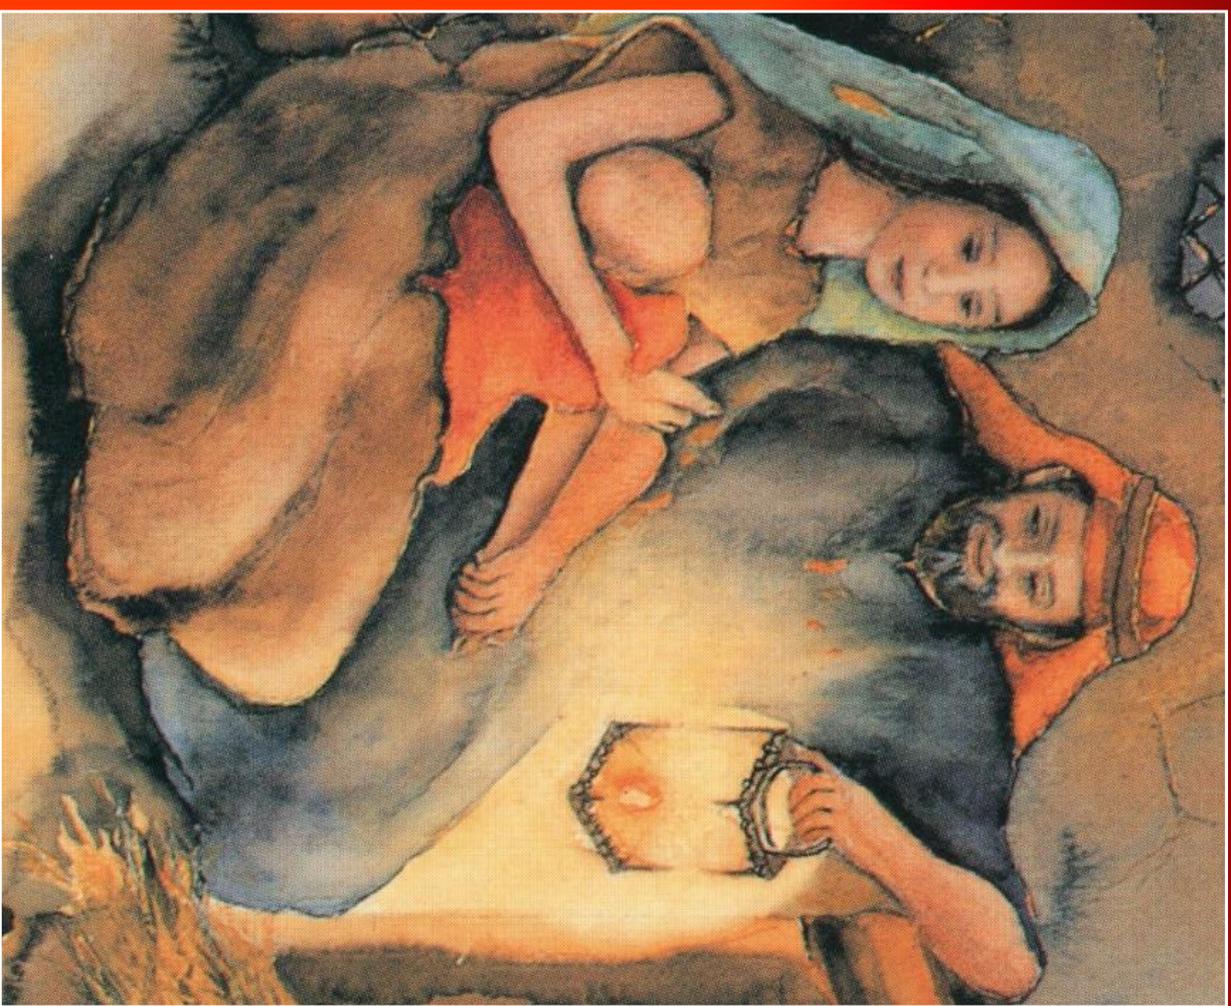

...una luce delicata, ma sicura ...

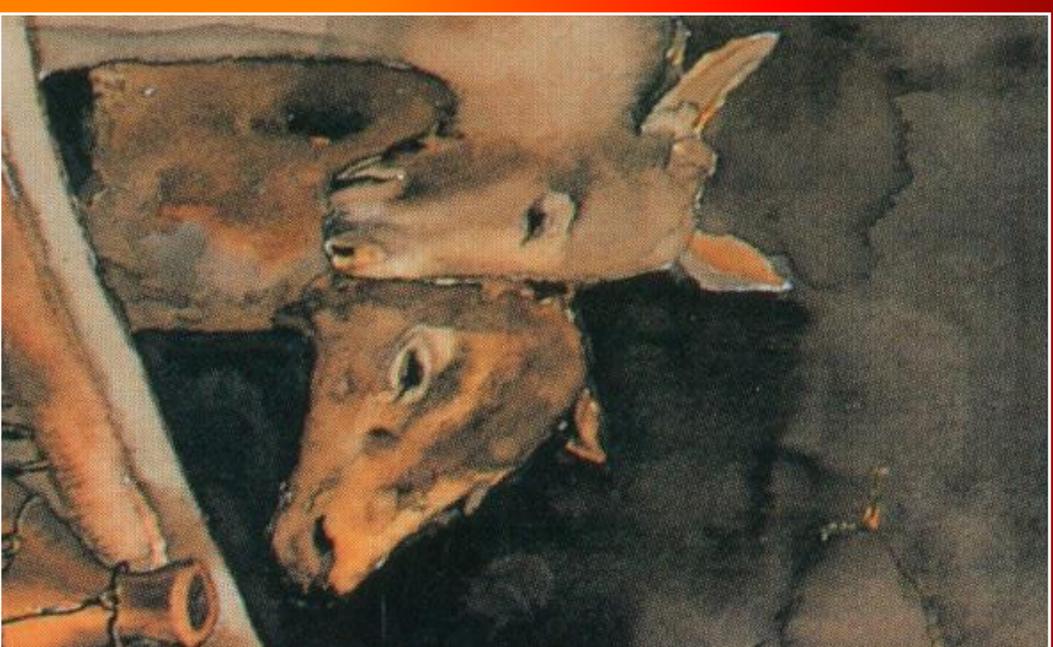

...una luce che si fa guida

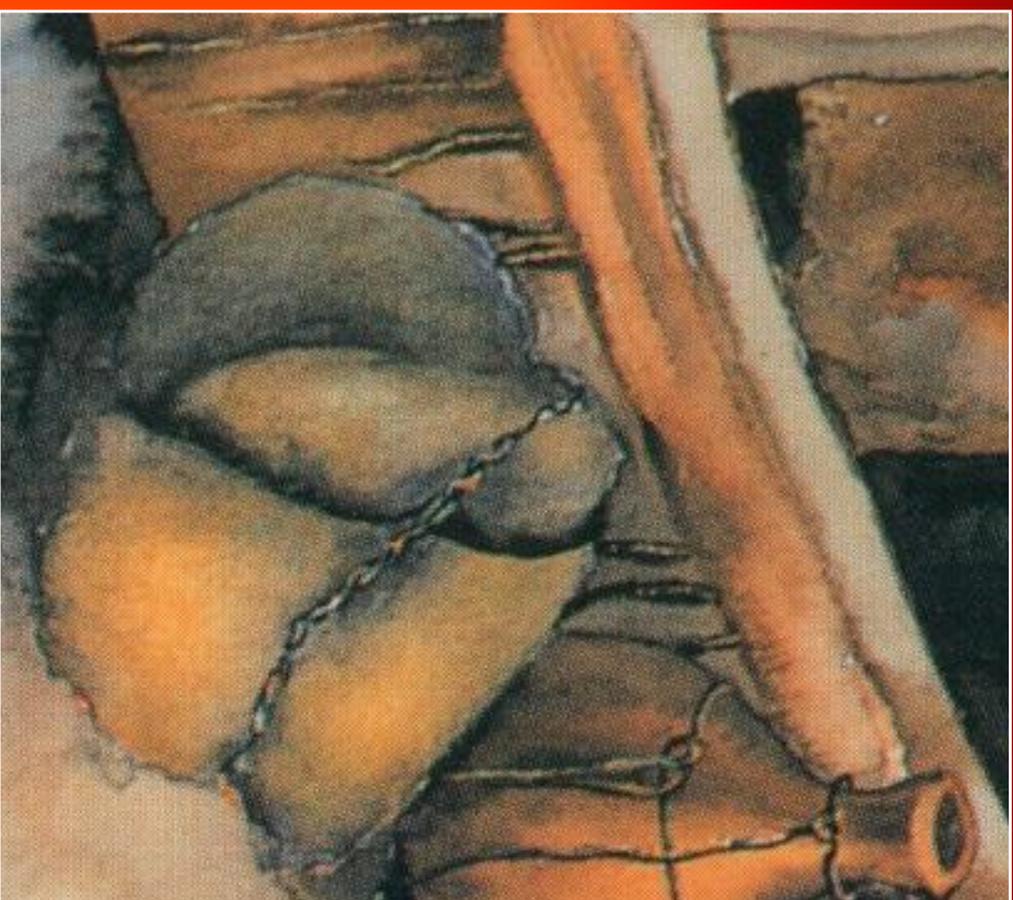

...una luce
che accoglie
e invita
al cammino

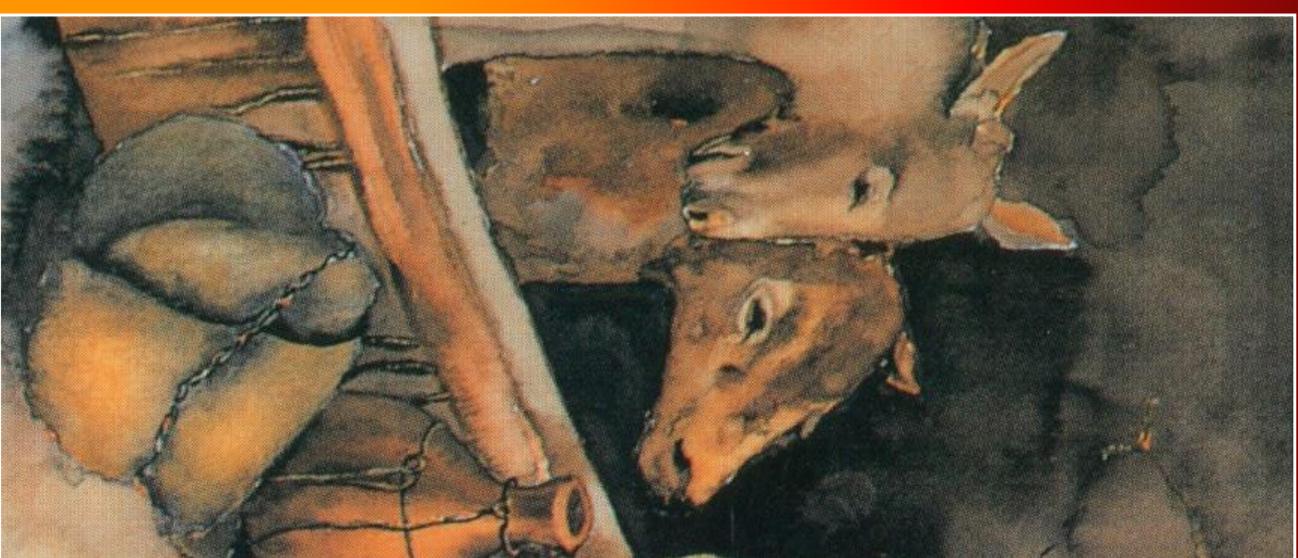

Nel presente ci sono
l'asino e il bue:
testimoni
del Mistero

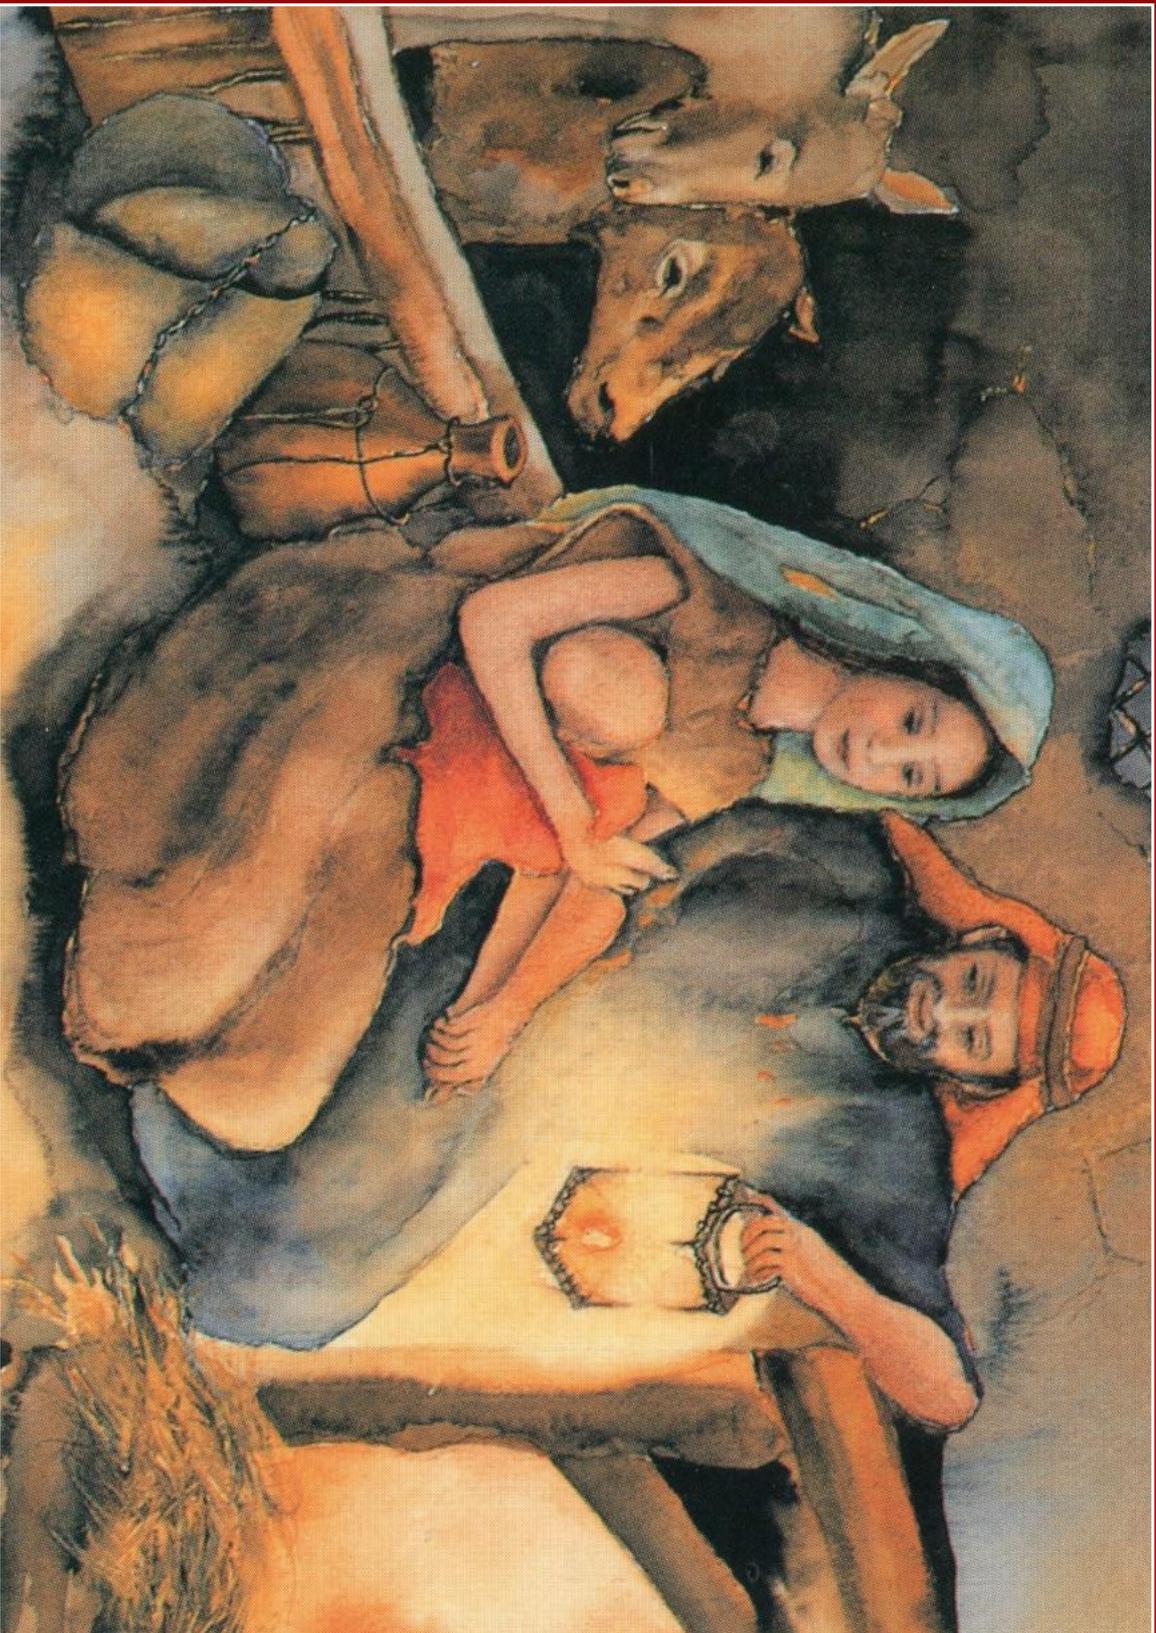

*una bisaccia
e una borraccia:
segni di chi è
in cammino*

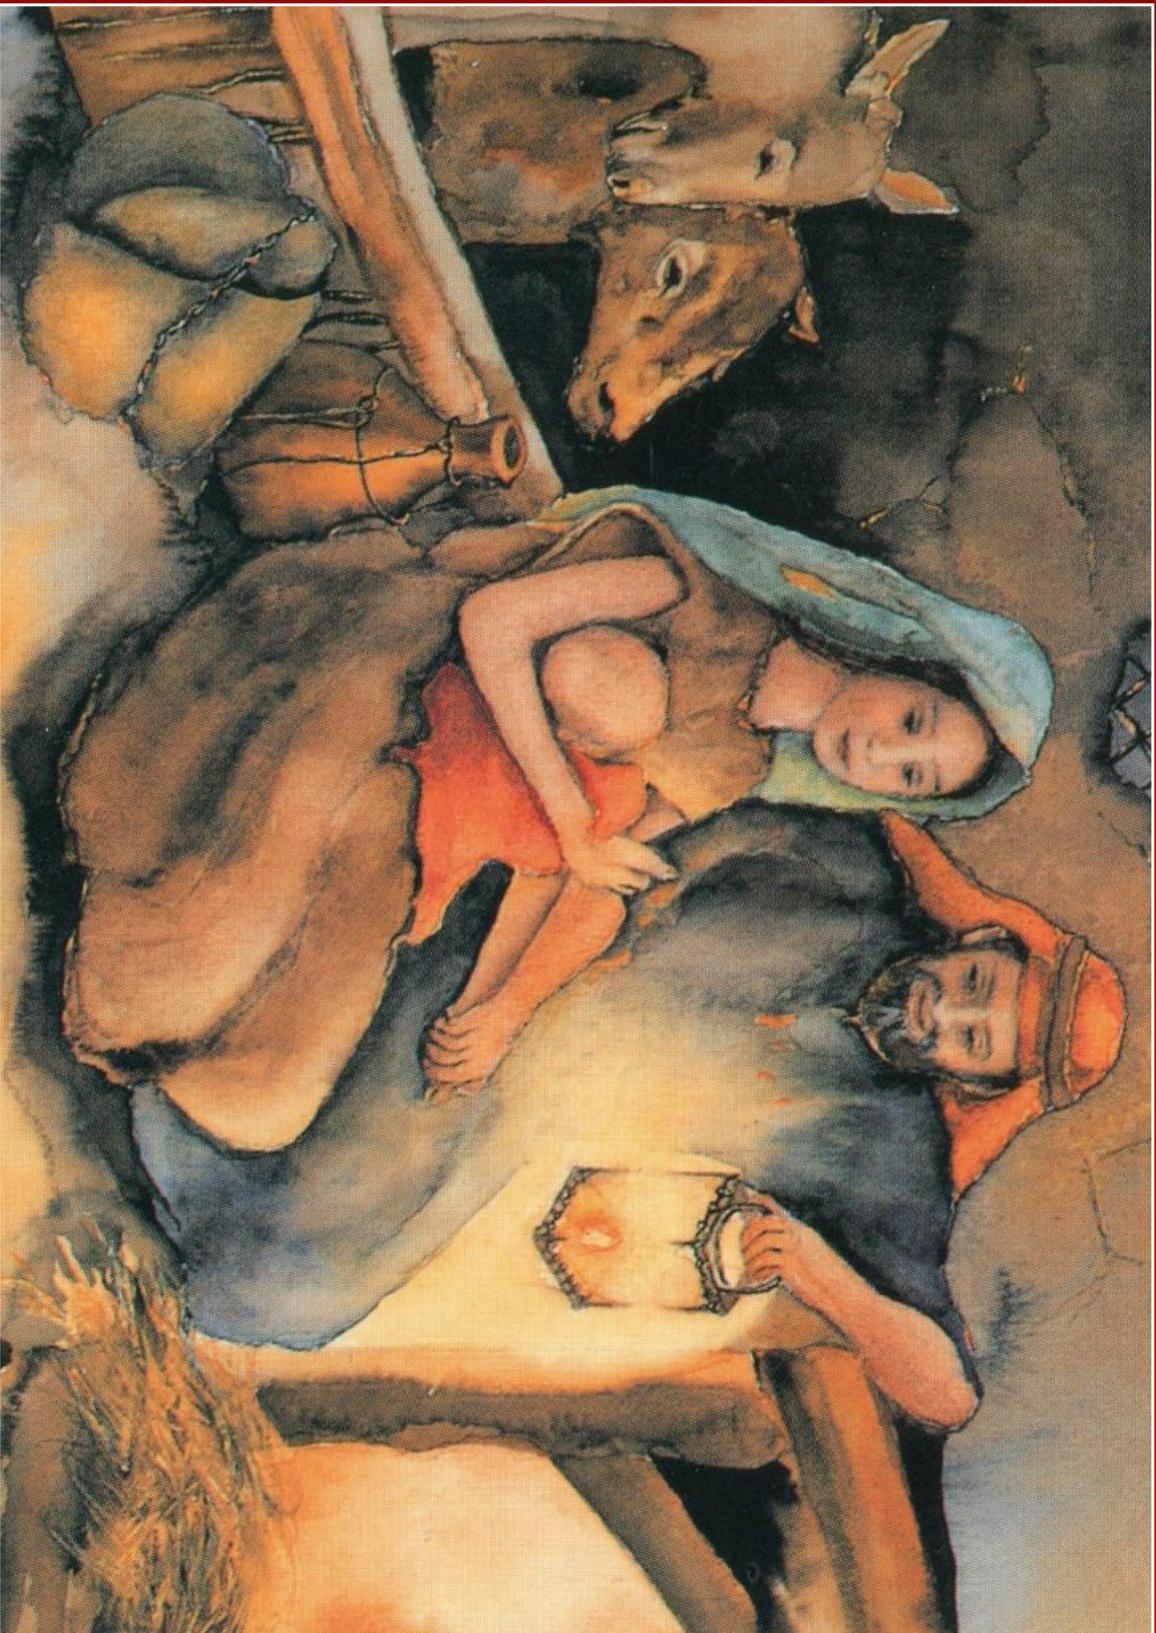

L'Amore è riconosciuto
ed annunciato
dall'uomo
pellegrino dell'Eterno

L'Amore debole e fragile
è luce e forza

*Il Dio che nasce per noi
ci doni il calore e la luce dell'Amore*

BUONNATALE
